About The Show

Asia Fashion Fair (AFF), founded in 2003, specializes in Sino-Japanese textile and apparel OEM and ODM cooperation. Participating companies account for 20% of China ' s annual textile and apparel exports to Japan. AFF is a key procurement platform for Japanese buyers and a vital hub for market trend and product information exchanges between Chinese and Japanese industries.

The April 2024 AFF Osaka exhibition featured 371 companies showcasing their products across 422 booths, with a total of 4,508 professional buyers in attendance for discussions. Notable buyers such as Chesnaya Chain Co., Ltd., Nikkey Co., Ltd., Takiho Co., Ltd., Toray Alpha Co., Ltd., Nissen Co., Ltd., STX Co., Ltd., and Toyoshima Co., Ltd. were among those present. The April Osaka exhibition received widespread acclaim from the industry.
